

Idea:

Local Authority Transitions Team

Inputs:

What resources do you need in terms of people, partners, money, experience etc?

Allocated staff (good knowledge and experience of SDS and person centred planning)

- Transitions coordinator
- Local area coordinator
- Social Workers (adults and childrens)
- Representatives from key providers
- Advocacy
- Peer (parental) supports

Office Base

Links with schools, colleges, careers, voluntary, volunteer agencies, communications team, health, carers support organisations, welfare rights.

Where should these resources come from / who should fulfill these roles?

- Health and social care partnership
- Education
- Voluntary and private sector providers
- Legal / advocacy
- Job Centres
- Colleges / schools
- Skills Development Scotland

Outputs:

List the outputs you expect from the project e.g. activities, participants, documentation

- Transitions coordinator for all local authorities
- Local Transitions Forum
- Information Library - online or building base (families better informed)
- Information Pack
- Asset mapping (more choice and control)
- More accessible process, less anxiety
- Open information day
- Partnership working enabling empowered working relationships for families and young people
- Cyclical review process - financial, outcomes etc

To do list:

What are possible next steps?
By who? By when?

- Approach different stakeholders
- Legal framework
- Funding application
- Identify team
- Role profiles
- Aims and objectives
